### Rough Draft:

I am **SR.Vignesh** also known as '**SR**'. I am from Kumbakonam. My Father is a weaver and my Mother is a Housewife. I completed my Diploma in Mechanical Engineering at Shanmuga Polytechnic College, Thanjavur with a score of 95%. Before my enrollment in the FSSA program, my career path took me to the Maruti Authorized Dealer Service Center. There, I served in various roles such as Warranty Coordinator, Billing Staff, Service Advisor, and Accounts Incharge, accumulating three years of valuable experience. Then, I set my sights on advancing my career in pursuit of my dream in the IT industry. It was during this time that I discovered the FSSA program, which was recommended to me by a friend who was a student of the FSSA Batch 2. Then I attended the FSAT exam and interview. Finally I got selected. I feel proud to be a student of FSSA. After one year of FSSA I improved my problem solving skills, English communication skills and Self learning skills. My future goal is to secure a job in the IT field, a path that I believe will enhance my career and make my dreams a reality.

### Fair Draft:

I'm **SR. Vignesh**, also known as '**SR**', from Kumbakonam. I achieved an outstanding 95% in my Diploma in Mechanical Engineering from Shanmugha Polytechnic College, Thanjavur. Prior to joining the FSSA program, I gained three years of valuable experience in various roles at a Maruti Authorized Dealer Service Center. My journey into the IT industry began when I heard about the FSSA program from a friend in Batch 2. Over the course of a year, I honed my problem-solving, English communication, and self-learning skills, and now my goal is to secure an IT job, which I believe will propel my career and turn my dreams into reality.
